

CMIT

Math club of IISER TVM

Hello everyone!
Greetings from the Club of Mathematics IISER TVM,

Ah, Shifu. There is just news, no good or bad—unless it's from IISER TVM. Club of Mathematics IISER TVM is conducting **CMIT OP** a Fun-Math outreach program for students in classes **8th to 12th**. The main aim of the program is to let the younger generation explore the world of mathematics.

The outreach program will be held on **18th September 2022 (Sunday)**. This program is planned to be held from **9:30 AM to 5:00 PM**, with refreshments and lunch provided by the committee within the campus. The college provides a pickup bus from Thampanoor Bus Stop to IISER TVM at **7:15 AM** and leaves for Thampanoor Bus Stop at **5:00 PM**. Each student can be accompanied by a maximum of **2 guardians**. Students are supposed to fill out the Google form provided below. Following is the list of events being held for the day:

- Connecting Dots: Rangoli Competition**
- GanitWiz: Quiz**
- Chalk and Talk: Presentation Competition**
- Student Talk: The Königsberg bridges: Pathway to Graph theory**
- Talk: Are all triangles equilateral?**

Registration and participation in the event are totally **free of cost**, as our main aim is to let students experience the IISER TVM campus and get a good exposition to Mathematics. Exciting prizes await the winners and participation certificates will be given to all participants.

Please make sure to go through the rule book attached [here](#) before filling the forms.

Please note that the last date for registration is **16/09/2022**

Life at IISER TVM is nice when you walk around the campus, but it's much better if you carry an umbrella. So don't forget to bring one along with you. And let's not forget the need of the hour - MASK!

How to reach the IISER campus? (for those wishing to travel on their own) :
