

ONLINE DISCUSSION MEETING WITH ALUMNI

School of
Mathematics

OBJECTIVES

School of Mathematics, IISER Thiruvananthapuram is hosting its online meeting with the our alumni of various batches who are well accomplished in their domain. This would provide an opportunity for the present BSMS and MSc students of School of Mathematics to gain a better understanding of the requirements of the world. Our Alumni will share their industry and academic experiences, and walk you through their journey of navigating through the different career paths after a Masters in Mathematics from IISER-TVM.

INVITED ALUMNI
